Carpet Cleaning.
Now is the time to clean carpets. If
you want your carpets taken up, cleaned
and relaid, send word to D. Douglass,
No. 9 Park street, Montclair. Mr. Doug-
lass has had years of experience in car-
pet cleaning, and has a large patronage
in this town, Glen Ridge and Montclair.
Those intending to move can have their
carpets taken up, cleaned and relaid on
short notice. The work will be well and
promptly done.—Advt.

Orange Street Sidewalk.

Residents of Orange street have placed
in the hands of Councilman Chabot a
petition for a continuous flagstone side-
walk along the westerly side of that
street from Bloomfield avenue to Dodd
street. There is at present a flagstone
walk in front of the majority of prop-
erties on the westerly side of the street,
and the object of the petition is to have
the gaps filled in. The petition is not
in regular line with the requirements for
obtaining street and sidewalk improve-
ments, inasmuch as the \$100 deposit did
not accompany it. The petitioners are
not disposed to lay down that amount
for it. The petitioners want the Coun-
cil to pass an ordinance making it com-
pulsory on property owners to put down
a stone sidewalk. The action taken by
the Borough of Glen Ridge in laying
down miles of flagstone sidewalks and
compelling property owners benefited
to pay for it is cited as a precedent that
ought to be followed here. The question
arises whether or not the same laws
governing sidewalk work that applies in
the borough applies in a municipality
governed by the town act.

Numerous Candidates.

There is every indication that the se-
lection of a County Superintendent of
Schools to succeed Elmer C. Sherman
will not be accomplished without a little
friction. There are said to be many
candidates, representing many of the
leading towns in the county, including
Belleville, East Orange, West Orange,
Glen Ridge, Bloomfield and Nutley.
The candidates are principals and school
superintendents, and not a few of them
hope to get the county superintendency
and keep their present positions. There
is a feeling abroad that the County
Superintendent should hold but the one
educational position, as has been the
case in Essex county for many years.
In Union, Monmouth and Somerset
Counties, however, educators hold the
county superintendency and are also
principals or city or town superintend-
ents besides.

Glen Ridge Burglaries.

The Glen Ridge police are investigat-
ing two burglaries reported to them
Monday. The victims are Joseph Wil-
liams of Hawthorne avenue, and Charles
S. Sellick, who lives in Clark street.
The thieves in both cases effected
entrance by prying open side windows.
At the home of Mr. Williams the thieves
stole a gold watch belonging to Mrs.
Williams and several pieces of jewelry.
At the Sellick home the thief exchanged
his coat for one of lighter weight. So
far as is known he did not get any other
property. In the coat, which is now in
possession of the police, was found a
railroad spike, which it is believed the
burglar used to pry open the windows.

Threatened Lockout.

A general lockout of men employed
in the building trade is threatened next
week, owing to a dispute over wages be-
tween the members of the Master
Builders' Association and the members
of the Masons Laborers' Association.
Employers are positive in their assertion
that if the general lockout takes place it
will continue all summer. There is a
strong desire that the threatened lock-
out shall be averted by a resort to arbi-
tration. There is a board of arbitration
constructed expressly for the purpose of
acting upon such issues as are now the
cause of trouble.

Struck By Trolley Car.

While driving in Main street near
Scotland street, Orange, Sunday night,
the rig of Henry Campbell and his son
Charles of this town, was struck by
trolley car 702, in charge of Motorman
Mullaney and Conductor Frank Hackett.
Both men were spilled to the ground
and taken to the Memorial Hospital.
Henry Campbell was discharged from
the institution, but Charles is more
seriously hurt. The horse ran away
and was caught by James Murray and
William Penn of 15 Madison street.

Popular and Prosperous.

The recent opening of a new series of
shares by the Essex County Building and
Loan Association evidences that that
well-known financial institution still
holds its popularity and continued pros-
perity. Upwards of 1,100 shares
were subscribed for in the new
series. The association has on its
books applications for loans to the
amount of \$40,000. Financial men who
occasionally attend a meeting of this
association express admiration of the
institution and are surprised at the mag-
nitude of the business transacted.

A Month's Medicine for 25c.

Every bottle of Dr. Howard's Specific
for the cure of constipation and dyspep-
sia contains sixty doses of a remedy
that is pleasant and easy to take.

Used according to directions, this is
sufficient for a month's treatment.
Bought on W. W. Keyler's special half-
price offer of a regular-sized 50 cent
bottle at half price you get a month's
supply of the best medicine in the world
for only 25 cents.

Another reason why you should use
Dr. Howard's specific, or at least try it,
if suffering with constipation, dyspepsia
or liver trouble, is the fact that Drug-
gist W. W. Keyler sells every bottle
under his personal guarantee to refund
the money if the specific does not cure.
Many lives are lost by treating the
sick for the wrong disease. If you have
any of the following symptoms, Dr.
Howard's Specific will cure you:

Loss of Appetite, Sour Stomach,
Distress in Stomach, Great Mental Depression,
Bloating of Stomach, Tired, Stupid Feeling,
Specks before the Eyes, Gnauling in the Stomach,
Pains in Sides and Chest,
Dull Pains in the Head,
Melancholy Forebodings,
Throwing up Food after Eating, Bad Dreams.

Sick Headache, Sour Stomach,
Belching of Gas, Heartburn,
Lack of Energy, Constipation,
Choking Feeling, Stomach Cough,
Coated Tongue, Loss of Sleep,
Bad Dreams.

There are hundreds of people in
Bloomfield who are praising this
remarkable remedy for restoring them
to health. Many of them thought their
case incurable, but as Druggist W. W.
Keyler told them Dr. Howard's Specific
would cost them nothing if it did not
help, (they to be the judge), they de-
cided to use it, and are to-day in the
best of health.—Advt.

Euchre and Reception.

The ladies of the Church of the Sacred
Heart held a euchre and reception in
Union Hall Wednesday night. About
sixty tables were in play. First prize, a
ball rack, was won by D. Crimmins of
Orange; second prize, a chiffonier, was

Ward took third prize, a costume; a

John V. Woods. Miss Margaret Glen-
non, Timothy C. Johnson, Miss Kate
Fronapfel, Miss Mamie Moran, Grover
Caffrey, Edward O'Neill, Miss Lennon
and Charles Henley also won prizes.

Dancing followed and music was fur-
nished by Professor Kauffman. The hall
was prettily decorated with the Sodality
colors, blue and white, with a back-
ground of silver, in honor of the twenty-
fifth anniversary of the organization of
the Sodality. The managers of the
euchre were John Woods, Frank B.
Dailey, Charles F. Duon, E. A. Gruber,
James P. Mylod, James Carroll and
Joseph A. Glennon. The door prize, a
\$5 gold piece, was won by E. Cox of
Montclair.
